Mr. Bronson Tweedy
Central Intelligence Agency
Room 7E22
Washington, D. C. 20505

Dear Bronson:

In order that we may arrange the most appropriate representation on the studies that we conduct under the auspices of the NSCIC, I will coordinate Defense Department support of these studies. I will appreciate it if those responsible for leading the studies let my office know what their needs may be for DoD representation. I will request from DoD elements recommendations for appropriate individuals to support those activities.
